(B) All billings shall be subject to any tax imposed on the sale or distribution of natural gas by the Village. Any such tax shall be added to the rates for service by computation of a percentage factor equivalent to the effect of the tax. In like manner, any change in the total monthly cost of natural gas (including transportation costs) to the Village from its pipeline supplier shall be applied to the rates for service by computation of a percentage cost factor or unit cost per dth. The base cost for this computation is Eight Dollars (\$8.00) per dth. A credit adjustment will be computed if the monthly cost of natural gas to the Village is below Six Dollars and Fifty Cents (\$6.50) per dth.

(C) Customers who are charged a minimum bill with zero usage, will not be subject to a rate adjustment.
